THINKING AHEAD

The Kirkwood Car Rally – FAQ'S

Join us for a relaxed daytime event in Kirklees, set in the very heart of where The Kirkwood provides care. Designed to be fully accessible and not weather dependent, it's an event everyone can enjoy. Take in the beautiful surroundings right on your doorstep, with a great selection of food available throughout the day. Each car will be uniquely numbered, showing you're proudly driving for a cause.

Date of the event: Saturday 6th June 2026

Starting point and time: The event will take place at The Kirkwood, 21 Albany Road, Dalton, HD5 9UY. Arrival is from 9am, giving you time to enjoy breakfast before setting off, with all cars ready to hit the road by 10am.

End point and time: The finish line will be at a venue within the HD8 area. We expect cars to begin arriving back from around 5pm, with refreshments available from 4pm. From 5pm, you and your passengers can enjoy a 'Finish Line' meal, followed by our awards celebration.

How do I register: Please use our booking form ([link here](#)) to book.

How much is the Registration fee: £195 which includes your registered car, bespoke merchandise number for the sides of the vehicle, driver and co-driver, together with food vouchers, including breakfast, lunch, afternoon cake box and 'Finish Line' food.

What kind of vehicles can take part: Any! As long as it's road legal, the

driver is licensed to drive it and you're not exceeding the vehicle people's carrying capacity - from Bangers to Bentleys and everything in between can take part. We will provide each car with a pair of numbered vinyl decals to identify the cars taking part.

What will happen on the day: You will cover around 70 miles within the boundaries of Kirklees, given 'clue' for each destination. Covering countryside towns and villages along the way. During the course of the day you will be encouraged to collect evidence of your completed destinations, with a selection of prizes up for grabs (so don't forget to take photos). It's not a race, so we don't want you getting any speeding points but there will be trophies awarded at the finish line – all in good fun!

Additional passengers: You are welcome to add extra passengers. Where additional passengers are added to your vehicle, no additional cost is applicable, however there is an option for additional passengers to have a food voucher at the cost of £50 per person.

T&C's: Refund policy: All deposits paid are non-refundable, but may be transferred to a 3rd party by yourselves, as long as we receive details and the car registration number. This does not affect your statutory rights.

On behalf of the Fundraising Team, we hope that you have fun taking part in this brand-new fundraising challenge and we thank you for supporting The Kirkwood.
